

Montpelier High School Art Student Featured

The Montpelier Schools have many excellent programs that deserve recognition. In December and January, Freshman Lisa Cook is representing the Fine Arts program under the instruction of Bobbi Miller at Montpelier High School. Kannel Superior Agency, Inc. will be hosting the feature in their office located in downtown Montpelier.

Lisa's artwork

"Monoprint 4" is a vibrant and eye-catching geometric piece made using printing ink with the monoprint process.

Lisa Cook (Center) and her mother Rhonda present "Monoprint 4" to Chris Kannel. Also present are Dr. Jamie Grime, Superintendent of Montpelier Schools and Bobbi Miller, Lisa's instructor. Photo by Lisa Geleide

Lisa is a freshman at Montpelier High School. She enjoys the freedom to express herself through painting and sculpting. Her parents, Carl and Rhonda Cook, continue to be supportive as she works her way through high school. She is excited for the community to see what is going on at Montpelier High School, how hard the students work, and just how passionate they are about the Arts.

Kannel Superior Agency, Inc. (KSAI) is proud to feature Lisa's work in their office and invites the public to stop in and see "Monoprint 4" during the months of December and January. The office is located at 301 West Main Street, at the heart of historic downtown Montpelier. For more information, contact Chris Kannel at 419-485-4281 or chris@kannelinsurance.com.
